Date Oct.13th, 2007--

FUNDRAISER

The fundraising orders will be in Saturday, October 20th. All orders must be picked up by the coach or a representative of the team. **Parents**, your coach or team representative will make arrangements for you to pick up your order from them. You will not be allowed to pick up your individual order.

Regardless of rain or cancellation of the games, all orders will be at the fields for pickup. For those of you that sold 10+ items, your T-shirt will be included with your order. The top three sellers will also be awarded their prizes on October 20th as well. THANK YOU FOR YOUR CONTINUED SUPPORT OF OUR REGION.

Meegan

Our team of girls going to the National Games will be selling items (different each week) at the fields. All proceeds from the sales will go to help these girls pay their way to Hawaii. Please invite everyone to support our girls.

Thanks,
Amanda Reese-Hecker

Commissioner's Comments

As the mid-point of the fall season approaches I would like to remind everyone of a few details.

1. Teams that play the last game on a field should take down the nets and bring them up to the headquarters table. If you are not sure if you have the last game have someone check at the table.
2. Please make sure that all trash is picked up and put in the trash cans before you leave. The board members that volunteer their time have been spending a lot of extra time on Saturday afternoons picking up trash.
3. We are always looking for volunteers to help out in the region. If you would like to volunteer as little as 1 hour per week please come to the table and fill out a volunteer form.
4. Coaches and Parents please remember all of our youth referees are volunteers as well. Do not yell at them during the game. If you have a question please ask them after the game. If you still have a concern then talk to a board member.
5. We would like to thank all the coaches that dedicate their time to making all of our childrens Saturday's more enjoyable. Without volunteers like these men and woman we would not be able to reach out to so many children. If you ever have any questions feel free to check with head table by the restrooms or simply e-mail me at rc@ayso105.org.
Gordon R.

Coaches Corner:

Coaches - Please stay back three feet from the touchline so that Referees and/or ARs can view the entire playing field. Also All Coaches and assitants need to stay in your coach area. About 20 to 25 ft from centerline. Some coaches have been going out of this area. Around the goal line is totally unacceptable.

Spectators - Please stay back three feet from touchline so that referee staff can ref game. Also no one is to be around the goal line coaching or distracting the players on the feild. Thank you for your immediate help with this problem.

Ray Rhodes
Boys Coach Admin

Important field information

Please stress that children (and adults) are NOT to be hanging from the goals!

NO PRACTICING ON THE GAME FIELDS

CVPA

Here at 105 we strive to provide a clean, kid friendly environment for all our players and their families.

**NO SMOKING
NO Cussing
NO Alcohol
NO PETS**

A BIG THANK YOU to all of the Coaches and Assistant coaches who took the time to complete their required Safe Haven training by the deadline. I appreciate the fact that you are here volunteering your time to coach the children of AYSO Region 105.

**
Just a reminder that there is to be NO SMOKING on the fields at all during game times. If you must take a break and smoke please go to either the North or South Parking Lots. Please remind all of the family and friends that attend your games of this rule.

Also remember that there are to be no pets on the fields at all. The past weekend we've had to remove dog poop from 2 of the fields.

I've noticed on several occasions that young children are being left unsupervised on the playground. I encourage you to please make sure someone is there to watch them at all times. If this is not possible please don't let them go and play by themselves.

Thank you, Kandi
